

Pyramis latest novelty; the brand new *Nivel* glass sink

Pyramis features *Nivel* a sink of stunning tempered glass drainer combined with comely stainless steel bowl.

What makes *Nivel* project unique is the inclined drainer area, design that allows excess water, to flow easily into the bowl.

Elegant design focused on ergonomics and comfort

Nivel comes with a square spacious bowl of 450x400x200mm with corner radius 25mm that ensures easy cleaning while, the new subtle overflow and the new square waste create a perfect combination of elegance and function.

For even more comfort, **Nivel** is equipped with a pop up waste valve.

Nivel is available in black satin or extra white colour and the bowl is available in left or right version.
